RE: Notice of Removal of Petition for Cert, from New Jersey
Supreme Court (In matter of Drexel University vs. Dennis
Obado (Student Loan matter)),

Dear Mr. Walsh,

Kindly be advised that I am the Defendant in the Drexel Case, and I am requesting for a removal from petition for certification, at New Jersey Supreme Court. I have not yet received notice from the Courts regarding the status of the case, and any assigned case manager. Since I am indigent, I have enclosed further documentation of my indigent status, with my social security earnings report, and an application for charity care, made by me at Saint Peters clinic, and the Hospital. I have been chronically unemployed, and have been relying on my mother for full support, during these difficult economic times. If you have any questions, feel free to contact me, at (732) 246-5158, as my phone just recently got reconnected.

Respectfully submitted,

Dennis Obado
